

## Lunch Hour Colloquium:

# ***“What’s going on in Webster county anyway?”***

**Peter Sullivan, Vice President of Exploration  
Energy Corporation of America**

Mr. Sullivan’s experiences in exploration and development have involved every major producing basin or area within the continental United States and select projects internationally. Mr. Sullivan is a Certified Petroleum Geologist with AAPG’s Division of Professional Affairs and is the President of the Appalachian Geological Society. He also serves as an adjunct professor at WVU.

Date: Wednesday, 10 February 2016

Presentation: 12 p.m. ( noon)

Place: Large Conference Room
