Dear Prospective Exhibitor:

Greetings from West Virginia! You are cordially invited to exhibit at the 34th Annual Meeting of the Eastern Section of the American Association of Petroleum Geologists. The Appalachian Geological Society and the West Virginia Geological & Economic Survey are co-hosting the Eastern Section meeting at the new Radisson Hotel located at Waterfront Plaza in Morgantown, West Virginia, September 18-20, 2005.

The theme of this year’s meeting is “Mountains of Opportunity”. The eastern region is the birthplace of the petroleum industry and continues to contribute to America’s energy reserves. The technical program will highlight the energy opportunities that abound in the Appalachian Mountains: from unconventional sources such as the Devonian Shales & Coal Bed Methane to new topics like 3-D seismic acquisition and CO2 Sequestration.

Last year’s Eastern Section Meeting in Columbus attracted over 370 professionals, and past meetings in West Virginia have been well attended. The exhibit area at the Radisson will be open from the icebreaker on Sunday evening through 4 pm Tuesday afternoon. Refreshments will be available right in the exhibit area throughout the meeting (including coffee & pastries during the morning hours).

Please join us in September at the Radisson Hotel on the banks of the Monongahela River in Morgantown, home of the West Virginia University Mountaineers. Space is limited, and to ensure that you get the exhibit space of your choice, please complete the exhibitor contract form and return it to me with your payment as soon as possible. Feel free to call, or e-mail me, should you require additional information.

Sincerely,

Dave Cox
Exhibits Chairman
EXHIBITOR’S BOOTH CONTRACT
